Aruna Seneviratne

I want to thank the volunteers who made CoNEXT 2014 run without a hitch. Also, I want to acknowledge the hardwork of the local organising committee, specially Sipat who made sure it was a memorable event. Thank you Luigi and Augustin for the wonderful program and also begin here. Finally, I want to thank the sponsors, Cisco, NSF, Google, NICTA, Technicolor, HP, Microsoft, and all participants who made it possible. I hope you enjoy Sydney over the last four days. If you are travelling, safe travel, and hope to see you all at CoNEXT 2015.
